WAIKATO ART AUCTION SEPTEMBER 2015

Welcome to Waikato Art Auction 2015. We are pleased to once again offer a great collection of art to our Waikato, National and International collectors. The continued success of our Waikato auctions means we continue to attract many good paintings both locally and from all over the country.

Despite some concerns over the recent weakness in dairy prices the art market continues to reflect the overall confidence in the local economy, with new records constantly being set both here and internationally.

It is particularly pleasing to have increasing numbers of local collectors becoming more aware that with astute buying collecting art can be both enjoyable and rewarding.

The majority of the art offered for sale in this catalogue has come from various estates and private collections largely in the Waikato area. There are some very interesting and rare paintings included in this sale with many of them featuring local scenes, spanning over a century of artistic endeavour in the Waikato. We believe the estimates to be very realistic and a number of lots are being sold without reserve. We are confident you will find something worthy of interest.

We look forward to welcoming you to the viewing and seeing you at the auction. If you have any queries please don't hesitate to contact myself or the staff at Aesthete Gallery Hamilton.
